Bangalore – 560 029
Workshop on Cognitive Behavior Therapy in Sexual Dysfunctions
11th and 12th April 2019**

We are pleased to announce that the Behavioural Medicine Unit, Department of Clinical Psychology will be organizing a two day workshop on Cognitive Behaviour Therapy in Sexual Dysfunctions on 11th and 12th of April 2019.

About the workshop

Sexual dysfunctions of various kinds are commonly seen in the general population as well as in people with psychiatric problems. The impact of sexual dysfunctions is devastating, and affects the quality of life of the individuals. However there are very few professionals who are trained in working with these problems. The workshop attempts to give basic understanding of the psychological aspects and therapeutic strategies to the professionals who deal with these conditions.

The workshop would cover nature and kinds of dysfunctions, medical, psychological aspects, methods of assessment and interventions in male and female sexual dysfunctions. The resource persons will be the Clinical Psychologists, Psychiatrists, Urologists, and Obstetrician and Gynecologists.

The workshop will have didactic lectures using power point presentations, group discussions and video-demonstrations.

Participants: The practicing Mental Health Professionals, Sexologists, Urologists, Obstetric and Gynecologists and other interested medical professionals.

Registration: The registration is limited to 40 participants on first come first served basis. The registration fee is Rs. 3000/- . The confirmation of registration will be communicated after the receipt of the registration fee. The last date for the registration is **5th April 2019**.
